*If you ordered an item that	ships via truck, and you do not have ar	elevated loading dock, you must c	hoose one of the three optio	ns below:		
Delivery Type	Description					
Lift-gate only delivery	Your shipment is delivered by a lift-gate equipped truck. Your product(s) are typically on a pallet(s). Your driver will lower your pallet or product from the truck to the parking lot surface closest to your building door as possible. You are responsible for transferring the delivery into your building.					
Threshold delivery	Your driver will safely lower your shipment from the truck to the parking lot, and then move it into your building, over the first threshold.					
Room / Location of choice delivery Your driver will safely lower your shipment from the truck to the parking lot, then they will move it to a specific location of your choosing. Your order can be moved to a room inside your building (including up one flight of stairs), or to an outside location of your choice (playground, field, etc.)
